and NSD File No. L-00-72.

Dear FCC:

We cannot use our phone in most areas due to our location from a tower, We need better service not raises. If you would look at my locatl telephone bill you would see I'm paying nearly as much for taxes as I am for my service.

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,
